Radiologists, surgeons, pathologists, medical oncologists, radiotherapists and nurses

Clinical Director: [Dr. Chaitanyanand Koppiker, MS](#)

A comprehensive breast cancer care center offering freeships and concessions. Orchids Breast Health offers a full range of state-of-the-art breast health services designed to ensure the best possible experience for each of our patients. By preparing individualized treatment plan for every patient, providing them with an uplifting environment and using the most advanced equipment available, our team strives to provide the ultimate standard of care and clinical excellence. Open to women with all forms of breast conditions, of all age groups, from all strata of the society, we provide wholesome care to our patients right from the diagnosis to post-treatment care. Dr. Chaitanyanand B Koppiker is a Breast Oncosurgeon and the Medical Director at Orchids Breast Health Center. An Honorary Faculty and Asia Convener for Masters in Breast Oncoplasty Program at University of East Anglia, Dr. Koppiker is one of the pioneers of Breast Oncoplasty in India and has established the International School of Breast Oncoplasty in collaboration with the senior faculty of the Association of Breast Surgeons, UK and the University of East Anglia.
